RANGECRAFT MANUFACTURING OFFERS MIAMI COLLECTION OF RANGE HOODS

FAIR LAWN, NEW JERSEY — One of RangeCraft's most popular range hood lines, the Miami adds distinctive design and elegance to your kitchen. Decorative Miami Hoods can be made from materials such as Copper, Brass, Stainless Steel, or any combination of these materials with Mirrored or Antiqued finishes. Miami Hoods come standard with riveted corners, recessed bands and decorative buttons. All of RangeCraft's hoods come standard with patented "Micro" Baffle Filters and halogen lights. They are available with super quiet internal fans of 600cfm or 1200cfm, or for use with a remote fan.

RangeCraft Manufacturing Co. Inc., is well known to the industry for their high quality range hoods. Design excellence and superior craftsmanship separates RangeCraft from the competition.

RangeCraft also offers the industry's largest stock selection of Universal Inserts for wood hoods designed for wall or ceiling mounted applications. For wall mounted installations, sizes range from 22" to 58" in width by 15" or 18" in depth. For ceiling mounted installations, sizes range from 28" to 58" in width by 20" in depth. Universal Inserts can also be custom made with a stainless steel liner to fit even the most unusual sized wood hoods.

Since 1972, RangeCraft has been a leading manufacturer of metal range hoods. RangeCraft maintains its standard of excellence with state of the art production machinery to insure the finest quality and selection of range hoods and universal inserts for kitchen ventilation. RangeCraft products have a European flair, but are all built in the USA.
